

Al-Haq's Human Rights and Complexity Challenge

No. 1

Raising the following issue at the 2020 [World Economic Forum](#):

To what extent does Israel's occupation and exploitation of Palestinian territory to subsidize its economy contribute to its competitive advantage in attracting [foreign direct investment](#) over other countries?

11 January 2020

[Al-Haq](#)
Announces
Human Rights
and Complexity
Challenge No. 1

21-24 January
2020

World Economic
Forum
FDI

Al-Haq's Human Rights and Complexity Challenges build upon complexity theory, primarily through social media, to try and achieve various goals that contribute to the pursuit of the right to self-determination for the Palestinian people. The limits to completing these challenges are your imagination and the rule of law.
